Herr Carsten Forssa, O. Y.,

Forssa,

Finland.

Dear Sir,-

Mr. Joseph Sunell has asked us to write you in regard to certain property known as the Tervalampe Property, belonging to the Sunell family. It seems there was a sale of timber made on this property, and Mr. Sunell thinks that he and the rest of his family should have an accounting of what was done with the proceeds of this sale.

He would be very glad also to know in what position the property now is.

You might reply to us or directly to Mr. Sunell in our care in which case we will see that the letter is duly delivered.

Yours truly,

WEEKS & JACKSON,

Dear Sirs We are in receipt of your favor to our Mr
Carsten of 27 June regarding the property Tervalampe
in Loppis. Having all the papers about that estate in our
possession we do not find among the former owners the
name Sunell and think therefore that the claim
of that farm must be depending on some mistake.
We are since 1874 the sole owners of the said estate in
accordance with a legal fasti bet of 1876. 5/4/17.
